

Paper submission Guideline !

1. The paper can be presented both in Georgian (with a full English translation) and in English (with a Georgian summary, which is provided by the editorial office), in electronic form, together with a review by a specialist in the relevant field of science and with an answer to the check in the anti-plagiarism program. The author of the article published in the journal or the head of the group of authors (corresponding author) can be a doctor of science or a doctoral candidate.
2. The following order should be observed in the paper:
 - a) Title of the work, last name and initial of the author(s), data on the author(s) - country, postal code, place of work, e-mail.
 - b) allocated - abstract, key words (no more than 300 words).
 - c) Text: introduction, materials and methods, discussion of obtained results, conclusions, used literature. Photographs (in JPG, TIFF format - minimum resolution 300 DPI), tables, images, drawings, graphs, charts and diagrams - titled and numbered (if there is one unit of this type of insert in the text, numbering is not required); Formulas should be noted in Microsoft Equation.
3. The length of the paper should not exceed 10 pages, including the abstract and references.
4. The paper should be written in Microsoft Word with Sylfaen font.
5. Sheet size A4, fields: top - 2.0 cm, bottom - 2.0 cm, left - 2.0 cm, right - 2.0 cm; Font size -12, spacing -1.15.
6. The method of citing verified sources and literature in a scientific work: last name and initials of the author/authors, title, title of the book/journal, place of publication, year, book/journal no. In the text, in square brackets, you should indicate the corresponding number of the author(s) according to the reference list.
7. The scientific paper is received by email at journal@geomedi.edu.ge and is subject to mandatory peer review. The editorial board selects at least two specialists for each direction.
8. The author will be notified of the decision to publish or reject the paper no later than 5 working days after the submission of the paper.
9. The author is responsible for the material published in the paper.
10. All authors will receive a certificate for the published paper.
11. The fee for publication of the work for citizens of Georgia is 50 GEL, for citizens of foreign countries - 20 USD in Georgian Lari equivalent. The person wishing to publish the paper must pay the fee to the university bank account, through non-cash payment, after receiving approval for the publication of the paper. The university provides free of charge publication of the article from the affiliated academic staff of LLC "The Teaching University Geomedi". The expenses related to the publication are financed by the university.
12. The University reserves the right to implement an anti-plagiarism policy, implement mechanisms for violations of academic integrity and disciplinary responses to such violations in accordance with the University's "Plagiarism Detection and Response Policy."

ყურადღება!

ჩვენს სამეცნიერო ჟურნალში გამოქვეყნებული ნაშრომის (სტატიის) ავტორს მიეცემა ავტორობის დამადასტურებელი სერტიფიკატი.

Attention!

The author of the paper (article) published in our scientific journal will be given a certificate of Authorship
